

## IAS 2013 Organizers

### IAS

The International AIDS Society (IAS) is the world's leading independent association of HIV professionals, with over 16,000 members in 196 countries working at all levels of the global response to HIV/AIDS. IAS members represent scientists, clinicians, public health and community practitioners on the frontlines of the epidemic. The IAS is the custodian of the biennial International AIDS Conference and the host of the IAS Conference on HIV Pathogenesis, Treatment and Prevention.

### CERiA

The Centre of Excellence for Research in AIDS (CERiA) was established in 2007 to respond to the need to better understand the Malaysian HIV epidemic and to build local capacity in conducting HIV related research. Since its establishment it has become the leading Centre in Malaysia conducting HIV related research in various fields including epidemiology, social behavioural, clinical and laboratory based research.
